## Report on Entrepreneurs Edge

A programme on "Entrepreneurs Edge" was conducted by MGSSNP of JPM Arts and Science College on 16<sup>th</sup> October Monday 2023. The main objectives of the programme is to impart pupils with an entrepreneurial mindset. An important aspect of entrepreneurial mindset is known as 'entrepreneurial self-efficacy which focuses on a few key aspects: marketing, innovation, management, risk-taking, and financial control. The resource person for the day was Mr. Evin J Mathew, young entrepreneur, he explained the various scope of MSME and various schemes for new entrepreneur's, like purchase price preference policy and Prime minister Rozgar Yojana. The programme started at 1.30 pm. Ms. Anumol Sebastian Assistant professor, Department of English welcomed the gathering, from various departments 48 students were participated and Mr. Binto Kurian the programme coordinator and Assistant professor, Department of Managements studies proposed the vote of thanks. The session came to an end at 3.00pm.

## REPORT OF CERTIFICATE PROGRAMME ON FLOOR MAT MAKING

Mahatma Gandhi Swayam Sakthikaran Nutan Pariyogana (MGSSNP) successfully conducted a Certificate Programme in Floor Mat Making on 08/12/2023 at Seminar Hall. MGSSNP, an innovative initiative by the Internal Quality Assurance Cell (IQAC), aims to empower students to take control of their lives, function independently, and lead fulfilling lives, ultimately making them self-dependent.

The Floor Mat Making Certificate Program is a structured training initiative designed to equip participants with the necessary knowledge and skills for creating floor mats, catering to both personal use and potential commercial endeavors. This program delves into the art and craft of floor mat making, covering essential aspects such as materials, techniques, design principles, and sustainability practices.

This course was conducted by the students of Social Work Department. Students used sarees for floor mat making to promote sustainable practices in handicrafts. This course was a traditional and conventional practise of handicrafts as well as an innovative practice which makes the students to become self reliant

### Course Objectives

- To introduce participants to the art and craft of floor mat making.
- To impart knowledge about different materials and techniques used in mat making.
- To foster creativity and self-expression through hands-on experience.
- To promote sustainable practices in handicrafts.

### Curriculum

- Introduction to Mat Making: History, significance, and various types of floor mats.
- Materials and Tools: Understanding different materials, tools, and equipment used in mat making.
- Techniques: Hands-on training in weaving, knotting, and braiding techniques.

Sustainability: Promoting eco-friendly practices and the use of sustainable materials.

### Sessions and Practical Training

The course consisted of both theoretical sessions and practical hands-on training. Expert instructors provided detailed explanations and demonstrations, guiding participants through the step-by-step process of creating unique and personalized floor mats.

### Certificates and Recognition

Certificates of completion were awarded to all participants, acknowledging their successful completion of the floor mat making course. The certificates were distributed during a closing ceremony, which also featured remarks from the organizers and instructors, expressing appreciation for the participants' dedication and creativity.

In conclusion, the floor mat making certificate course by the MGSNNP was a resounding success, empowering participants with valuable skills and knowledge in the art of mat making. The event not only enriched the participants' creative abilities but also contributed to the promotion of traditional handicrafts and sustainable practices.

## REPORT

Mahatma Gandhi swayam shakthikaran Nutan pariyogana (MGSSNP) in association with IQAC of the college organized certificate programme on "VIDEO EDITING" on 12<sup>th</sup> December 2023 in the conference Hall. The Programme aims to create awareness among the students about shots, creates pacing through cuts and creates meaning by juxtaposing images. Francis George of first year BCA and Vishnu Prasad of second year BCA took the class. The programme begins at 1pm. Ms Anju C P program coordinator welcomed all. Two students from each classes participated in the programme. Video editing skills are in high demand across a wide variety of industries and the students get clear cut ideas about shots, editing process in video editing. Ms. Anu Sebastian MGSSNP coordinator proposed the vote of thanks. The program came to an end by 2:15pm.
