LET THE GREEN BE SEEN

A TREE PLANTING MISSION

Organized by English Semester 1 students under the auspices of English Association and Communication Skill Club on 2021 January 31

LET THE GREEN BE SEEN was a program to welcome 2021 with 39 saplings. It was conducted by BA English semester I students under the auspices of English Association and Communication Skill Club .The program was started in December last week. Its aim was to inculcate the values of sustainability and environmentalism among the students by planting a sapling as a hope for the future. 39 students and teachers took part in this mission. The posters and videos were published on online platforms and largely appreciated and recieved.
