

### 5.3.2. PRESENCE OF AN ACTIVE STUDENT COUNCIL AND REPRESENTATION OF STUDENTS ON ACADEMIC AND ADMINISTRATIVE BODIES / COMMITTEE OF THE INSTITUTION

This institution ensures the active participation of the students in all its myriad activities. Since this is an higher education institution affiliated to Mahatma Gandhi University we have a vibrant, dynamic college union which is elected based on university norms. Apart from that we have a student council comprising 80 students. Three representatives from each class constitute this body. These three representatives are elected on the basis of their affinity to academics, arts and sports. This very active students body plays a key role in the cultural activities of the college. They are under a staff advisor who monitors their activities. The feedback received from them helps in shaping the policies of the institution. The college has six academic disciplines. Each discipline has an association. It is this association which is presided over by a student which decides the extra curricular activities that are to be conducted during a given term. Students are well represented in IQAC and Anti Ragging Cell. There are about 25 different clubs like UNAI, Rec Ribbon Club etc. During the heavy floods of 2018 the students union and council volunteered a lot to help the victims.
