‘Seminar on Research Methodology’

Report:

As part of the Visiting Faculty Seminar Sessions, the Department of English conducted a seminar for II MA on 20th July 2018. Prof. T.R.S Iyer, Former Professor, St. Thomas College, Pala was the resource person. The session was devoted to the detailed study of Research Methodology from 10.00 am to 1.00 pm.

The session started with a prayer and Ms. Binilamol Sabu, Assistant Professor, welcomed the resource person and the audience. According to Prof. T.R.S Iyer, two important methodologies are Qualitative research methodology and Quantitative research methodology. The aim behind Qualitative research methodology is always to study human behavior. With the help of qualitative analysis technique, various reasons are studied to achieve an in depth consideration as why certain behavior appears in human being. More specifically, we can say that

qualitative research methodology tells how and why certain decisions come forward in particular circumstances. So, the questions like what, when and where also matter but qualitative research method offers something beyond this concept.

T.R.S Iyer explained, the aim of quantitative research method is to develop theories and mathematical model to study hypothesis. Any research methodology data that is enclosed in numeric form comes into the category of quantitative method.

The session was concluded with an interactive session. The session came to an end by 1.00 pm with Mr. Abhijith K Divakar, Head of the Department of English, proposing the vote of thanks.
