The weekly performance reports of the six departments were compiled and analyzed by the IOAC. Two sessions were not engaged by the Department of Economics and all other departments had engaged all their sessions. The classes were conducted by online platform. Some technical issues such as power failure, network issues and

connectivity issues were also reported by the teachers and students. Students and teachers actively participated in the online classroom education. The meeting suggested that the teachers belongs to the department of Economics to compensate the hours not engaged; in the coming month. The Council appreciated the teachers and students for their efforts in conducting regular online classes despite of the difficulties they faced.
