

JPM Arts and Science College

An Institution Established by the St. Joseph's Province of CST Fathers
Kanchiyar P.O. Kattappana. Website: www.jpmcollege.ac.in E-mail: jpm@jpmcollege.ac.in

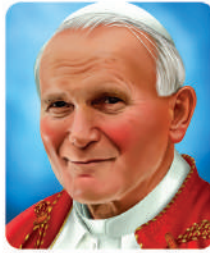

Introduction

John Paul Memorial Educational Institutions are advancing towards the 16th year of successful education mission in the Higranges. We provide quality education to students of various undergraduate and post graduate programmes, including Teacher Education.

JPM Arts and Science College Kanchiyar is an avenue of higher education with unique environment friendly and student centric features. Over the years thousands of learners have witnessed a learning experience with difference on the campus of JPM. We are consistent in ensuring expert faculty maintaining high standards of expertise.

Vision

To be a locally relevant and globally acclaimed centre of holistic education; moulding the children of a largely marginalized region

Our Inspiration
St John Paul II

Our Heavenly Patroness
St Little Flower

into self-reliant, responsible, morally upright, and socially committed citizens.

Mission

1. To impart quality education to the children of the largely marginalized, tribal, and migrant families.
2. To provide comprehensive training, enabling students to live and flourish in the digital world.
3. To conduct programmes promoting ethical values, self-esteem, responsibility, secularism, patriotism, and faith in God.
4. To accelerate inclusive education by providing higher education opportunities to the weaker sections and minority communities of the land-locked region.

5. To train and mentor students to realise and develop entrepreneurial skills, intellectual and physical capabilities with a view to promoting innovation.

6. To organize outreach programmes promoting gender sensitization, emotional maturity, and social commitment.

Location

The sylvan ambience of the College is highly relaxing and conducive to spiritual, intellectual and emotional growth. Situated in Kanchiyar Grama Panchayat on the Kottayam - Kattappana State Highway; the College is easily reachable and it has state of art facilities for effective learning.

Fr Francis Chittinappally CST
Patron,
Provincial Superior

Manager's Message

JPM Arts and Science College is advancing towards 16th year of successful education mission in the high ranges. Being aware of the fact that it is a time to change and walk with the real realities of life we are at the forefront to serve the humanity with a great mission of imparting quality and value education. We welcome you to JPM where we give wings to your dreams so that you can fly in the world over. Our competent, efficient and committed faculty will help and guide you in sharpening your aim and shaping your future. "Lighted to Enlighten" is what JPM will work towards.

Fr Abraham Panikulangara CST
Manager,
JPM Educational Institutions

Principal's Message

JPM Arts and Science College aims at uplifting the children of the educationally and economically challenged agrarian families of the 'Highranges'; irrespective of religion, caste or creed; and bringing them into the network of higher education system of the Country. The commitment is to work with a view to scaling the zenith of glory through a team work of students, teachers, parents, and Management. We have definite plans and programmes to reach our students and meet their needs by effectively delivering the curriculum on time, even during the current period of Covid pandemic. Student-centric is our style, student-friendly is our approach, student first is our policy, and the focus is on a shift from a centre of teaching to a centre of learning. St. John Paul II said, "As a teacher, you kindle in your students a thirst for truth and wisdom." Yes, we kindle in our students the thirst by placing them at the centre of the system and igniting their imagination and creativity. JPM welcomes students, with hands outstretched. An environment-friendly campus is open for the learners. Come and grow with JPM; promising opportunities, world around, are waiting for you.

Dr V V Georgekutty
Principal,
JPM Arts and Science College,
(Former Controller of Examinations,
University of Calicut)

Rev Dr Tony Adukuzhiyil CST
Vice Principal,
JPM Arts and Science College

Fr. Jobin Penattukunnel CST
Bursar,
JPM Educational Institutions

Department of English

The presence of two eminent professors as visiting faculty; Prof. Dr. Mathew Joseph, HoD & Vice-Principal (Rtd), St. Thomas College Pala and Prof. (Rtd) T R S Iyer, St. Thomas College Pala; places the Department at the forefront among English Departments of similar colleges under the University. The Dept. offers both Under Graduate and Post Graduate Degree programmes in English Language and Literature. The undergraduate programme started in the year 2010 and the Post graduate programme in 2011. It is a full-fledged department with a team of thirteen Assistant Professors and two visiting Professors who are committed to their vocation of nurturing, shaping and nourishing young minds. The department's contribution to the fame and prestige of the college has been immense. Apart from focusing on the amended academic excellence of the students, department also facilitates students to find and reach pertinent careers in various walks of life. It has produced authors, teachers, researchers, actors, poets, novelists, journalists, anchors and many to say. The department provides intensive mentoring to our students both in and beyond the classroom in a wide variety of forums. Ongoing lectures, film screenings, symposia, conferences, and colloquia on interdisciplinary themes.

Programmes Offered

B.A. English (Language and Literature)
Model - 1 - 40 Seats

Eligibility:
Plus Two/VHSE/
Equivalent Examination

M.A. English (Language and Literature)
20 Seats

Eligibility:
Degree (Admission criteria varies with the patterns and streams)

Further, there is ample scope for re-search studies on various areas of human interest like literature itself or areas related to literature like Cultural Studies, Feminism, Ecology etc.

Department of Commerce

Department of commerce was established in the same year of the inception of the college in 2008. The Department offers MCom, B.Com Computer Application, B.Com Co-operation and B.Com Finance & Taxation. It has resourceful & efficient faculty and is the largest department with highest student strength in the college. The vast experience of the Principal, Prof. Dr. V. V. Georgekutty as Associate Professor of Commerce at St. Thomas College Pala and as Controller of Examinations of University of Calicut as well as his research exposure is an added resource for the Dept, especially in project guidance. The Dept. conducts Conferences, Faculty Development Programs (FDP), Workshops and Seminars to motivate the students and teachers and support career development.

Programmes Offered

- B.Com** (Finance and Taxation)
Model - 1 - 50 Seats
Eligibility: Plus Two/ VHSE for Commerce group and minimum of 45% marks for other groups.
- B.Com** (Computer Application)
Model - 1 - 60 Seats
Eligibility: Plus Two/ VHSE for Commerce group and minimum of 45% marks for other groups
- B.Com** (Co-operation)
Model - 1 - 50 Seats
Eligibility: Plus Two/ VHSE for Commerce group and minimum of 45% marks for other groups
- M.Com** (Finance) - 40 Seats
Eligibility: B.Com/BBA Degree

Job Opportunities

Business has become the order of human life. Every country depends on industry and commerce to raise funds for supporting growth and development. Consequently, business organisations have got a prominent role to play in all societies. This has led to the development industry, and trade resulting in enormous new employment opportunities, world over, for commerce graduates and post graduates. Commerce graduates and post graduates enjoy ample opportunities in banking, insurance, marketing, finance and accounting, management, logistics, stock markets, auditing, as well as civil service of the country. Teaching at higher secondary, and university/college levels is another promising opportunity for commerce students. On completion of the programme commerce students get the opportunity for campus placement also.

Further Study

Scope of further studies for commerce graduates includes MCom, MBA, PGDM, CA, CS, CFA, CMA, CPA, ACCA, etc. Teacher Education degrees (B.Ed), M. Phil, and Ph.D are the important opportunities available for Commerce Post Graduates. Master of finance and Control, Master of Business Administration, Chartered Accountant, Cost and Management Accountant, Company Secretaries, Chartered Financial analyst, American institute Certified Public Accountant, etc are also some other higher studies opportunities for M. Com degree holders.

Department of Computer Science

The Department of Computer Science has the objective of imparting quality education in the area of Computer Science. The department offers Bachelor of Computer Applications (BCA) and M.Sc Computer Science. The Department has modern facilities for teaching and learning. It aims to develop core competencies in Computer Science and prepare the students to carry out all development works. With rapidly evolving technology and the continuous need for innovation, Computer Science has become the most sought-after discipline among students. The Department has a good track record in campus placement too.

Programmes Offered

B.C.A. (Bachelor of Computer Applications)
40 Seats

Eligibility:
Plus Two/ VHSE/ Equivalent examination in science stream with Mathematics/ Computer Science as a compulsory subject

M.Sc. (Computer Science)
20 Seats

Eligibility:
BCA or B.Sc. Degree with Mathematics/Computer Science/Electronics/IT as one of the subjects under Part III Core Group (Core + Complementary + Open Courses) with not less than CGPA of 2.00 out of 4

Job Opportunities

Booming IT sector in India has plenty of jobs for fresh computer science graduates. Candidates get attractive job offers from Multinational IT Companies. Computer graduates have employment opportunities in universities, research, private and public industries, government departments, business organisations, commercial organisations as well as in industries. Working as programmer, web developer, and E-commerce specialist with telecommunications companies, automotive companies, aerospace companies, etc. can be a lucrative career option as well. Hardware Engineer, Data Scientist, Web Designer & Developer, Software Consultant, IT Architect, Cloud Architect and Cyber Security are yet other important career opportunities for Computer Science degree holders.

Further Study

MCA and M.Sc Computer Science are the most commonly preferred programmes by the graduates after BCA. There are many other options for the BCA graduates in higher studies, like, Masters in Computer Management, Master's Degree in Information Management (MIM), Master of Science in Information Technology (M.Sc IT), G-CAT Master, Postgraduate Diploma in Computer Applications etc. There are also specialized certificate courses in software development and in networking. One can pursue PhD after MCA. In order to take PhD degree in engineering, one has to do MTech after MCA. After completing MCA, one can do ME (Computer Science & Engineering) also.

Department of Management Studies

The department of Management studies was established in the year 2011. The academic programs are designed to provide graduate with cutting edge skills and attributes that make them excel in their respective fields. The Department is imbued with modern infrastructure and technological support to facilitate teaching learning and personality development of its future managers and professionals. The Department has excellent faculty members and good library. The vast experience and research exposure of the Principal is an added advantage to the Department, especially in its project works. Bachelor of Business Administration (BBA) programme assists students in understanding and developing unique leadership qualities required for successfully managing business. Students are provided with ample opportunities for experiential learning by organizing various events.

Programmes Offered

B.B.A (Bachelor of Business Administration)
40 Seats

Eligibility:
Plus Two/VHSE/ Equivalent Examination

Job Opportunities

BBA Course is a gateway to numerous job opportunities in the sector like marketing, Education, finance sales as well as Government sector. After completion of BBA one can opt for major job profiles like, Human Resource Executive, Marketing Manager, Sales Executive, R&D Executive etc. BBA gives popular career offers like Operations Manager, Information

Job Opportunities

security officer, Loss prevention manager, Cost estimator etc. BBA Degree along with some years of experience will surely take one to the leading position in any organization.

The Private sector job after BBA are, Advertising, Aviation, Banking, Consultancy, Digital Marketing, IT, Finance, Insurance, Media, Offline Marketing, Entertainment. While in the Government sector the scope for management professional in banks is high as compared to any other domain. Many Government accountancy and financial institutions are always in a look for young BBA graduates.

Further Study

There exist enormous higher education options in Business Management. The list of higher Education programmes are, MBA, Master in Financial Management (MFM), Master of Marketing Management, Hospitality and Tourism Management, CRISIL Certified Analyst Programme (CCAP), Post Graduate Diploma in Chartered Financial Analyst (CFA), PG Diploma in Financial planning and wealth management, Master of Human Resource Management (MHRM), Master in International Business (MIB), CA, ICWA, Company Secretaryship (CS) etc.

Department of Tourism Management

Department of Tourism was established in 2016 with the introduction of Bachelor of Tourism Studies. In 2017, the six-semester programme was renamed as Bachelor of Tourism and Travel Management -BTTM. The Department conducts various outreach programmes for the students. It is a registered member of World Wide Fund for Nature (WWF), an international environment club. The Department conducts nature camps for students in association with Kerala Forest Department. The Department has a biodiversity club, a club under Kerala Biodiversity Board. The Department is equipped with an expert team of well qualified, experienced, and committed faculty members.

Programmes Offered

B.T.T.M +DCA

(Bachelor of Travel & Tourism Management + Add on Course: Diploma in Computer Applications)

30 Seats

Eligibility:

Plus Two/VHSE/
Equivalent Examination

Job Opportunities

The Travel and Tourism industry in India is one of the largest and most profitable industries in the Country. The industry is expected to create over 45 million jobs in India by 2025. Students have endless career opportunities in this fast-growing industry of travel and tourism. There are lot of job opportunities that candidates can avail in both private and public sectors after pursuing a course on Travel and Tourism. Students can choose to work for travel agencies, Government tourism departments, tour operations, immigration and customs services, airlines, hotels, etc. Some of the popular job profiles in travel and tourism are: Travel Executive, Tourism Manager, Travel Officer, Airlines Staff, Tourist Guide, Transport Officer, Travel Counselor, etc.

Further Study

After completing the course one can go for post-graduation programmes such as Master of Tourism and Travel Management, MBA in Travel and Tourism Management, etc. Candidates can also pursue PhD in their chosen subject of travel and tourism after completing post-graduation. There are Diploma courses in Aviation, Hospitality and Travel Management which can be opted by the students after graduation in Tourism.

Department of Economics

The Department of Economics was started in the year 2015. It offers the postgraduate programme, MA (Economics). Prof. Dr. Joy George, HoD & Principal (Rtd), St. Thomas College Pala and Prof. (Rtd) Mathew J. Muricken, St. George College, Aruvithura are visiting faculty members of the Dept. The Department of Economics secures cent percent result in the university examinations, and the department has been successful in securing higher grades also. The Department aims at molding qualified and well-trained students. Also, utmost care is given to the outcome-based education. All the faculty members of the department follow participatory learning methods. As part of the innovative teaching methodology, students are given exposure to computer-based skills. The Department enhances leadership quality, enthusiasm, co-operation and civic consciousness among students. Extra-curricular activities of the students are also encouraged. The Department conducts workshops and seminars on various topics and encourages the students to participate in national and international seminars and workshops.

Programmes Offered

M.A (Economics)

15 Seats

Eligibility:

B.A. Economics/ B.Sc.
Mathematics/ B.Sc.
Statistics

Job Opportunities

The knowledge of Economics enables one to understand the subtle intricacies of the ever-changing competitive world that we live in. Well-trained Economists are in high demand not only in India but also across the world for rapidly globalizing economies. They are hired as economic analysts, researchers and consultants. Numerous fields are waiting for graduates in Economics both in the public as well as in private sectors. Indian Economics Services, Indian Administrative Service, Reserve Bank of India, PSUs, public sector banks etc are some important opportunities. Teaching at school, college and post graduate levels, applied research in government and non-governmental organizations, etc. are also promising opportunities. Private sector also offers jobs in the fields such as private banks, MNCs, BPOs, KPOs, Business Journals, and newspapers.

Further Study

After successful completion of the programme, students can pursue M.Phil, or Ph.D.in Economics.

Department of Social Work

The department of Social Work started functioning in the academic year 2020-21. The department offers BSW. The programmes aim at demonstrating the relevance of social work interventions in dealing with social issues and problems and also to strengthen its theoretical foundation.

We initiated a department that has unwavering focus on social development specifically on the development of the marginalized communities- be it the minority communities, women, children, vulnerable and backward caste groups, elderly, persons with disability or those affected by disaster.

Programmes Offered

BSW
Eligibility: Plus Two/VHSE/ Equivalent Examination
40 Seats

MSW
Eligibility: Candidates must be passed bachelor's degree with the minimum aggregate of 50% for Part I, II & III combined.

Job Opportunities
Job Scope for Graduates of BSW is very diverse as they can venture into government organizations, NGO's and Private welfare companies. Social Works is very much important in developing communities and bridging the economic gap which will have a direct effect on the global economy and hence various private organizations provide lucrative job opportunities to graduates of this course. The graduates have various jobs in public and private sectors which

Job Opportunities

the candidates can choose: Criminology Specialist, Labour Welfare Specialist, Social Worker, Counselor, Researcher, Executive Officer, Trainee Officer, Social Security Officer, Probation Officer in Hospitals, Clinics, Counseling Centres, Mental Hospitals, Old Age Homes, Prisons, Correction Cells, HR Department of Industries, NGO's, Human Rights Agencies etc.
The job opportunities for the MSW graduates are at a bright side nowadays. The job opportunities are always high in the medical field. MSW pass-outs with specialization in the medicine can work in hospitals, nursing homes and rehabilitation centres. One can work in community health centres, schools and charitable trusts for mental health. Moreover, international social work is the broad avenue for candidates in social work. International organizations like WHO, UNICEF, etc. also offer job opportunities.

Further Study

After completing BSW course, aspirants can either pursue higher studies in the field of social work. MSW graduates can further go for Doctor of Social Work (DSW), Ph.D. in Psychiatric Social Work, Ph.D. in Social Work are important higher studies options for MSW. There are many short-term courses also for these graduates. The short-term courses are, Certificate in Therapeutic Skills for Helping Professions (Counselling), Certificate Course in Advanced Social Research Methodology, Certificate Course in Social Perspective in Disaster Management. The short term/ certificate courses will surely add a value to their career.

Co-curricular activities

For the wholistic development of the students, curriculum-based classroom teaching is supplemented with co-curricular activities. JPM conducts activities facilitating the development of various domains of mind and personality such as intellectual, emotional, social, moral, and aesthetic development. Creativity, enthusiasm, and energetic and positive thinking are some of the facets of personality development and the outcomes of extracurricular activities.

Debates and Discussion

As a student and also later in life every person gets into debates and discussions. These are important means to exchange ideas. Debates help to improve knowledge and reasoning skills. Debates and discussions at JPM help students acquire essential critical-thinking and presentation skills. They acquire better poise, speech delivery, and public speaking skills, improve listening, note-taking skills and increase self-confidence and enhance teamwork skills and collaboration.

Seminars and Webinars

Departments conduct various seminars and webinars to provide students with intensive training and better exposure to topics in the curriculum. Students are expected to participate regularly in college-level seminars, including giving presentations and participating in discussions. Attending a seminar has numerous benefits, including improving communication skills, gaining expert knowledge, networking with others and renewing motivation and confidence. A good number of national and international seminars, workshops and webinars have been organized under the auspices of various departments throughout the academic year.

Peer Teaching

Students learn a great deal by explaining their ideas to others and by participating in activities in which they can learn from their peers. They develop skills in organizing and planning learning activities, working collaboratively with others, giving and receiving feedback and evaluating their own learning. JPM promotes peer-assisted learning. Students are required to engage peer teaching sessions.

Remedial teaching and Mentoring

The objective of remedial teaching is to give additional help to pupils who, for one reason or another, have fallen behind the rest of the class. The purpose of remedial teaching involves individualized teaching of students who are experiencing difficulties

in specific subject areas. JPM has special scheme to ensure remedial teaching for slow learners. Each student is personally known to our teachers. Mentoring and tutorial system in JPM aims at addressing and study related problems of students and enabling them better resolve issues in life.

UGC NET JRF Exam Coaching

The National Eligibility Test (NET) is the test for determining the eligibility for the post of Assistant Professor and/or Junior Research Fellowship (JRF) award in Indian universities and colleges. Students in JPM are provided with specialized coaching for UGC-NET/JRF exam for better results. Along with the regular classes as well as apart from the class hours our experienced teachers prepare students to appear for NET exam.

Basics of Computing

It's important for every student to know fundamentals of computers. Knowledge about the fundamentals of computer science, internet, programming, web-pages, etc. help them to build career successfully. We ensure that our students are trained with the basics of computer and information technology along with the approved curriculum.

Placement Assistance

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. Placement Cell gives students the opportunity to gain skills specific to their subject or industry of choice as well as the employability skills required for real-life work. It also increases their knowledge of an industry or sector, allowing them to make better informed decisions about future career

choices. JPM has a vibrant placement cell functioning under a placement officer. The Cell conducts various programmes with a view to molding students capable to meet the industry expectations. We conduct interviews / GDs / On-line tests and facilitate every student to define his/her career objective through career counselling. Last year we have succeeded in securing more than 100 placements in reputed firms.

Diplomas and Add Ons

Add-on courses or certificate courses help students learn additional subjects apart from their main course. Over the years, their importance has increased because of various reasons and JPM now offers add-on courses and certificate courses on different areas. The aim is to provide additional learner centric graded skill oriented technical training, with the primary objective of improving the employability skills of students.

Start Ups

Startups may be small companies but they can play a significant role in economic growth. They create more jobs which means more employment, and more employment means an improved economy. Not only that, startups can also contribute to economic dynamism by spurring innovation and injecting competition. We encourage students to be social entrepreneurs as change makers who apply business principles to social causes. Within a short span of time, we have a handful of successful startups established by our students.

Extra-Curricular Activities

Extracurricular activities provide a place for students to come together, discuss pertinent ideas and issues, and accomplish common goals. Within this community, where students feel comfortable with one another, learning and development are enhanced and student retention is positively impacted. A wide and diversified range of extracurricular activities are organized on the campus to meet diversified interests of the students.

NSS

The college has two units of National Service Scheme with 300 volunteers. It aims at training members in the spirit of service and promotes opportunities for the development of character and leadership qualities. Students are encouraged to take up membership and profit by the opportunities for service activities. NSS certificate holders get weightage marks for admission to higher courses and also get grace mark.

National Cadet Corps (NCC)

A unit of NCC started functioning in the college in 2020 with an intake of 35 cadets. The main purpose of the NCC is to provide military training to the students, inculcating in their minds the twin ideals of duty and discipline. NCC provides opportunities for developing one's physical and intellectual potential. Students who qualify to receive B and C certificates will find it easy to get commissioned posts in army/navy. Membership in the NCC entitles one to get weightage in admissions to college/university programmes. We have an Army wing of NCC in the campus.

UNAI

The United Nations Academic Impact (UNAI) is an initiative that aligns institutions of higher education with the United Nations in supporting and contributing to the realization of United Nations goals and mandates, including the promotion and protection of human rights, access to education, sustainability and conflict resolution. The college has a UNAI Aspire active chapter working in the campus.

Sports and Games

Physical education is part of the general education programme. The college offers facilities to students who are keen on developing their potentials in sports and games and thereby promoting qualities of sportsmanship, team spirit and good physique. The college encourages all students who are interested in sports and games and it provides all facilities for them. Competitions have been held annually in various games and for tracks and field events.

Counseling Service

The college has qualified counselors to provide counseling service to students in order to equip them address issues and challenges in life. Counseling support plays a crucial role in the holistic development of students.

Tourism Club

The Tourism Club of JPM is formed under the auspices of the Department of Travel and Tourism with the intention of creating awareness among the youth about

Tourism Activities and there by promote and tourism and related activities. The Tourism Club of the college gets support and guidance from the District Tourism Promotion Council.

Computer/Language/Project Labs

The computer labs of the college are well equipped with eighty-five high-end systems to cater to the needs of each and every student. There is a separate lab for the Post Graduate students and Add-On courses. Language lab and project lab are available for language studies and projects works. There is free internet connectivity and Wi-Fi with optical fiber facility.

Library

The primary purpose of the library is to provide resources and services in a variety of media to meet the needs of students and teachers for education, information and personal development including recreation and leisure. JPM Library offers the resources and encourages the thinking process, creativity, inquisitiveness and makes the learning more fruitful. Our library provides more than fifteen thousand textbooks and many periodicals, research publications to students, teachers and researchers. Libraries are said to be the precious life blood of a nation. We subscribe a number of frontline national and international journals, magazines, bimonthlies, weeklies and newspapers as well. A new block of international standards for central library and information center has already began on the campus and is expected to be complete in this academic year.

JPM Post

JPM Post is a quarterly publication from the college. It is unique in its kind and had its first edition in the year 2012. It serves as a canvas to students to portray the latent creativities among them.

Awards and Achievements

With the short span of time from its inception, JPM has secured position at the frontiers with flying colours in both academic and non-academic fields. Our students continue to secure best results at the university level and score university ranks in each academic year. In certain years our students secured six university ranks including first four. There is always an array of A+ and A grade holders and this academic achievement makes

JPM unique in the hearts of the students and the public alike.

Apart from the academics, our students show their best performances in intercollegiate and university level fests and other competitive events. In sports and games, our students bagged remarkable achievements at the university level.

The college is also an ISO 9001:2015 certified standard institution. The college has a vibrant IQAC cell that regularly evaluates the performance in all aspects and preparing the college ready for accreditation by NAAC.

JPM Alumni

In connection with the decennial celebrations, JPM initiated its Alumni Association. Now, the Association functions well with an executive committee and convenes regular meetings as well as gathering of alumni.

Our Students are placed with ...

How to Apply at JPM?

Our merit admissions are done as per the CAP admission proceedings of Mahatma Gandhi University, Kottayam. Please follow the steps mentioned below to apply for undergraduate and post graduate programmes in the Management quota.

Step 1. Get the Application form from the College office. Candidates can also log on to www.jpcollege.ac.in and apply online.

Step 2. Fill up legibly and completely and if online fill the fields carefully.

Step 3. Submit at the college office or online on or before the last date of submission declared by the university.

Enclosures with the Application

1. copy of S.S.L.C. Book.
2. copy of Plus two certificate/ mark list or equivalent certificate.

Documents to be Submitted at the Time of Admission

For UG Admission:

1. SSLC Book, Plus Two Mark List, Transfer Certificate, Conduct Certificate in original and Passport size photos (4)
2. Migration certificates (Applicable only to the students of other universities)

For PG Admission:

1. SSLC Book, Plus Two Mark List, and Degree mark list, Degree certificate/ provisional certificate, Transfer Certificate, Conduct Certificate and Passport size photos (4)

INDIRA GANDHI NATIONAL OPEN UNIVERSITY (IGNOU)

IGNOU Regular Study Centre (14181). A long-cherished dream of the institution to start a regular study center of the well reputed and globally accepted university, 'Indira Gandhi National Open University' was accomplished in the month of April, 2017. Admission to academic session in 2021 is open. The students are admitted for the following programmes.

1. B.A. (Bachelor of Arts)
2. B. Com (Bachelor of Commerce)
3. B.P.P. (Bachelor Preparatory Programme)
4. M.Com (Master of Commerce)
5. PGDIBO

Dillingen Girls' Hostel

Dillingen Girls' Hostel is managed by the Franciscan Sisters of Dillingen. Franciscan sisters are working in different parts of the country engaged in missionary-social and educational activities. Dillingen hostel is close to JPM

Educational institutions. It is far from the noise and pollution of the traffic and is surrounded by the greenery calm and quiet environment, mainly meant for the students of JPM Arts and Science College, John Paul Memorial

B. Ed College and JPM Career Academy.

Phone Number - +91 7034049910

It is not the programme of study but the active involvement and the volume of effort you put in for the completion of the programme that decides your success. JPM provides a platform with difference where vibrant learners meet and share experiences and actively participate in the learning process. We believe that the learning process anchored in human values that has its thrust in the participating, involved atmosphere of JPM do make remarkable impacts on the students we care.

“

Catholic education aims not only to communicate facts but also to transmit a coherent, comprehensive vision of life, in the conviction that the truths contained in that vision liberate students in the most profound meaning of human freedom.

Pope John Paul II

”

“

**The purpose of education is to make good human beings with skill and expertise. Enlightened human beings can be created by Teachers.
Excellence happens not by accident. It is a process.**
