

**JPM Arts & Science College, Labbakkada**  
**Department of English**

**'Seminar on Research Methodology'**

**Report:**

As part of the Visiting Faculty Seminar Sessions, the Department of English conducted a seminar for II MA on 15<sup>th</sup> June 2016. Prof. T.R.S Iyer, Former Professor, St. Thomas College, Pala was the resource person. The session was devoted to the introduction of Research Methodology from 10.00 am to 1.00 pm.

The session started with a prayer and Mr. Bineesh Joseph, Assistant Professor, welcomed the resource person and the audience. According to Prof. T.R.S Iyer, Research is an academic activity and as such the term should be used in a technical sense.

T.R.S Iyer explained, The purpose of research is to discover answers to questions through the application of scientific procedures. The main aim of research is to find out the truth which is hidden and which has not been discovered as yet.

Research methods are specific procedures for collecting and analyzing data. Developing your research methods is an integral part of your research design. When planning your methods, there are two key decisions you will make. First, decide how you will collect data. Second, decide how you will analyze the data.

The session was concluded with an interactive session. The session came to an end by 1.00 pm with Mr. Abhijith K Divakar, Head of the Department of English, proposing the vote of thanks.
